Have an adult cut out the cards from all six pages. Fold each card on the indicated line and glue or tape the inside to make a two-sided card with the logo on one side and the character on the other. Place the cards character-side down on a smooth surface and mix them up. Turn over two cards at a time to see if they match exactly. If they don't, turn them facedown again. Take turns turning over cards using your memory to recall where a matching card may be located. The person who matches the most pairs wins!
